### Application for 30-day Extension of Time to File and Pay Commerce Tax Instructions

**Purpose of this form:** Use this form to request an extension of time to file and pay the Commerce Tax. Upon Application approval, no penalty or late charge will be imposed on your business for failure to pay the Commerce Tax at the time required, if the Commerce Tax is paid during the period of extension. However, interest on the unpaid Commerce Tax will accrue at the rate of 0.75 percent per month from the date on which the amount would have been due without the extension until the date of payment, as set by NRS 363C.200 (4).

**When to apply for the Extension:** Submit the Application before the date on which the payment of the Commerce Tax becomes due. Generally, the Commerce Tax is due on August 14<sup>th</sup>. If the due date falls on a weekend, the Commerce Tax is due on the next business day.

The submission date is the date of the postmark by the post office stamp on the envelope.
