Subject: Public Comments for Nevada Tax Commission (NTC) meeting on August 20, 2025

Hello Commissioners,

I would like to provide following public comments:

1. Kudos to Heidi Fetic, Tax Program Supervisor III. She has been very respectful in our phone discussions and email communications concerning a Taxpayer's refund requests. Thank you Ms.Fetic!
2. Kudos to Barbara Dimmitt, Constituent Services Principal Analyst, Nevada Legislative Counsel Bureau, Research Division. She took the time to explain to me how Senate Bil (SB) 196 affects the Nevada Revised Statutes. Thank you, Ms. Dimmitt!
3. Kudos to Executive Director Hughes for removing the inclusion of Nevada Revised Statute (NRS) 360.380 from the latest version of the Petition for Redetermination form. Thank you, Executive Director Hughes!
4. The Department does not issue to a Taxpayer a written payment receipt or stamp the audit billing document when the Taxpayer comes into the Department's Warm Springs office and pays at the counter window.
5. Is the Department registered for a sales and use permit to report monies received for making copies of documents sold to Taxpayers or provided free to the Taxpayers at the counter window?

Thank You and Be Safe,

Ron Voigt
